

## **Call for an external film-maker**

**ERGO Network is contracting a film-maker or small film team to produce a short film showcasing the achievements of our network**

### **ERGO Network**

ERGO Network ([www.ergonetwork.org](http://www.ergonetwork.org)) brings together 28 members from across Europe and supports organisations with a common perspective on Roma grassroots empowerment and equal citizenship to challenge stereotypes and combat stigmatization. We mobilize and connect organisations and individuals that share and express our values – active citizenship, shared responsibility, and passion – to strengthen and empower Roma civil society involvement in decision-making at local, national and European level and to address existing shortcomings of policies targeted at Roma.

Currently we are supported by the European Commission's Director General for Employment, Social Affairs and Inclusion through a Framework Partnership Agreement that allows us to work closely with our members and to advocate for better policies for Roma.

### **Promotion film showcasing ERGO's work**

- Shoot the video in 2-4 different locations (possibly Hungary, Romania, Czech Republic, Brussels) at events of our member organisations, including interviewing members or partners to highlight the achievements of the work done in the past 3 years (supported by an ERGO team member)
- Produce a 5-7 minute video in English, including English subtitles, that is attractive to other civil society organisations, funders and also local and national partners of our member organisations

- Understanding of the functioning of an NGO
- Good English skills
